# WHAT IF CAVITY ALSO DISAPPEARS AND NO DRILLING ALSO REQUIRED!

YES YOU READ IT RIGHT,  
INTRODUCING SILVER DIAMINE FLOURIDE[SDF]  
-MAGIC LIQUID!

Directly brushed on the cavity  
surface.

**SDF**

Painfree,  
affordable and  
quicker.

No drilling  
required!

Makes tooth  
more durable.

Kills bacteria

Stops further  
decay.

# WHEN CAN THE MAGIC LIQUID [SDF] BE USED?

## YOUNG KIDS AND UNCO-OPERATIVE PATIENTS

Even though **SDF** causes mild discoloration; it is a very convenient procedure in young kids who might be scared of drilling procedures

## MULTIPLE CAVITIES

One **SDF** treatment can cover upto 5 teeth at once.

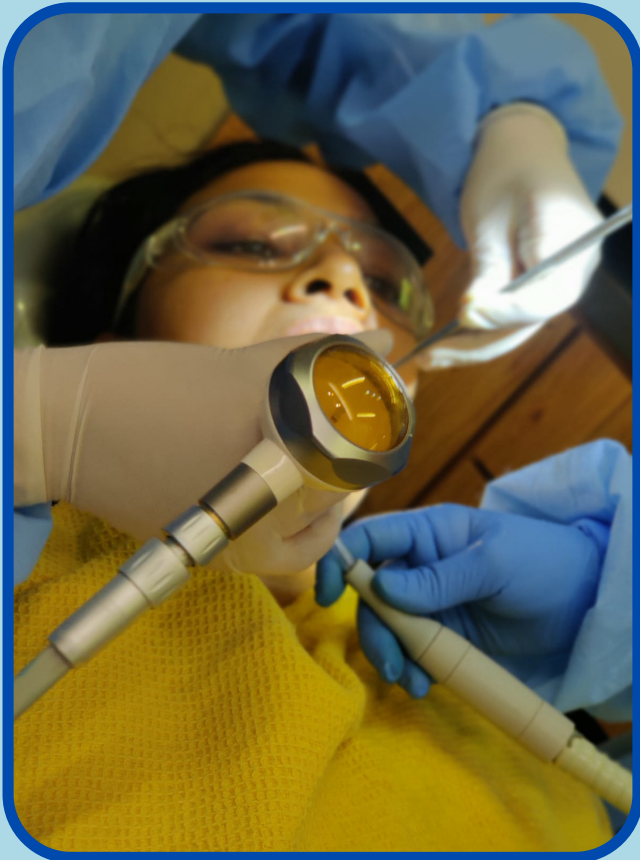

## SPECIAL NEEDS

**SDF** can be done in minutes without causing undue stress

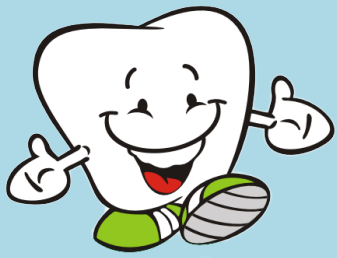

# INTRODUCING THE NEWEST MEMBER OF THE TEAM!!

## Estherix Blaster!!!

This is a new addition to our team,  
its an instrument that helps in removing the  
hardest stains on your teeth without any  
discomfort and in no time ,hence leaving your  
teeth stainfree and whiter again..

# THEY SAY IT WE LOVE IT!

As as mom I was very skeptical, but right from the time we entered the clinic till the complete treatment the way every member greted us us was amazing. Everyone made Saahir feel so comfortable that he was just not scared to sit onthe chair.He loves his dentist doctor. Dr.Dhruti made him feel so comfortable that he did his treatment in one sitting.Thankyou for the wonderful care the entire team took!
